Cromwell Valley Elementary -- “Ignite Financial Literacy”
Meeting Standards/Enriching Students

Financial Literacy and Financial Education

The ability to use knowledge and skills to manage financial resources effectively for a lifetime of financial well-being.

Financial Literacy: Application
Financial Education: Process

MDK 12 Standards - FINANCIAL LITERACY STANDARDS

- Standard 1: Understand personal financial behaviors and choices that influence personal financial situations.
- Standard 2: Analyze and evaluate financial information to make informed decisions.
- Standard 3: Understand the importance of saving and investing to achieve financial goals.
- Standard 4: Understand the impact of financial decisions on personal well-being.

MDK 12 Standards - MATh

- MDK 12 Standards: A specific set of learning objectives for mathematics, including topics such as number sense, operations, algebra, geometry, measurement, data analysis, and probability.

MDK 12 Standards - READ/ENG

- MDK 12 Standards: A set of reading and language arts standards that focus on developing students' abilities in reading, writing, listening, and speaking.

American Association of School Librarians and Reading Standards

- AASL Standards: A framework for evaluating and selecting library collections, ensuring they meet the educational needs of the school community.

- K-12 Reading Standards: Guidelines for reading instruction and assessment, promoting development of reading skills and comprehension.

- 4-8th Grade Reading Standards: Emphasis on critical thinking, analysis, and synthesis in reading comprehension.

- 9-12th Grade Reading Standards: Focus on advanced critical thinking and the development of complex ideas in literature and non-fiction.
