M&T PERSONAL FINANCE CHALLENGE BOWL
AT M&T STADIUM
APRIL 4, 2017
From the Blue Jays to the Blue and White, the history of football in Baltimore has given definition to the sports landscape of the Charm City. However, the definition of what it means to be a Raven is still being written.

A Raven is one of the best offensive tackles in the history of the game; the most feared linebacker of his era; a Rookie of the Year; a Record-Breaker; a Pro Bowler; an MVP; a Division Winner; a World Champion.

As with each passing year, each game, each play, what it means to be a Raven is constantly evolving. But one defining characteristic is already written in stone: all those who wear the purple and black - past, present, and future - will be known as Baltimore Ravens, continuing a rich tradition of the sport that has helped write the history.
